

## PC2R & PC3 Outdoor

### GET DATA THAT ARE RIGHT UP YOUR STREET

As people counting must not stop on your doorstep, Xovis extends its portfolio of outdoor 3D sensors. Catering to retailers with outdoor areas, the PC2R Outdoor and the PC3 Outdoor combine the benefits of the standard Xovis 3D Sensors with new tailor-made features:

- Pre-assembled including pre-mounted casing and cabling
- Compliance with IP 65
- Installation heights from 2.2m up to 20m
- Full coverage with Multisensor
- A.I. powered outdoor applications (PC2R Outdoor only)
- Outdoor WIFI / BT monitoring (PC2R Outdoor only)
